## ABOUT THE ELLIOTT:

This stunning 'owner's suite on main level' design is smart and classy. Each room has a distinct identity, and is expressed with confidence and ease of living features including all the logical elements you've come to expect from Evans Coghill Homes. Features include a dramatic foyer, a tucked away but welcoming owner's suite with an expansive closet, large gourmet kitchen, as well as beautiful exterior and interior design additions throughout. We have included all the have-to-haves like oversized pantry, drop zone, covered rear patio, breakfast eating area, study or flexible room, and formal dining. Upstairs is Family Central with a huge attic storage area that can be converted, and an oversized loft/activity room. Closets, storage, light, flow, fun. It's all here in the Elliott.
