## ABOUT THE BELMONT

This popular plan is much like the warmth and friendly atmosphere of McAdenville: warm and charming, familiar, yet full of surprises that make you smile. Discover cozy nooks or vast open spaces, spa-worthy retreats, and logical spaces to entertain and relax. The upstairs offers generous storage, and a retreat away from the quiet and gorgeous master suite on the main level. You will fall in love with kitchen that welcomes entertaining or quiet mornings with coffee. They open layout caters to those who are looking to downsize, or to young buyers yearning for an open yet luxurious home.
